*Pendik terminal fee for Pendik departing/arriving routes, will be charged as EUR 125 per unit.

BRF and ETS amounts will continue to be announced monthly.

Sea Freight rates listed in the table will be applied as same to all customers. BRF, ETS, and Pendik terminal handling charges will be reflected in addition

Performance bonus kickback will be requested at the end of each month with a return invoice on route basis. Monthly units for Performance Bonus will be counted including the calls for the main route.

Rbove prices and discounts applies to trailers, complete units, containers and suapbody. For tank containers Tier discounts will be applied as 50% of performance bonus per unit.

Standard payment term requires payment within 30 days. Payments exceeding 30 days will not be eligible for performance bonus.

Payments within 7 days of the invoice date will be considered as cash payments and will be eligible for additional discount as 5% of performance bonus.

Additional units are excluded from the performance bonus scale and will continue with their current pricing system.

For compete units, flight driver surcharge will continue to be charged additionally.
